*Who We Are*

**Dozie and Dozie's Pharm Nig. Ltd. is an indigenous company registered in the year 1990. It was formed with a clear mission of making research driven Speciality medicines available to clients in Nigeria and other parts of Africa.**

Focus has been on importation of medicines in various fields such as

Oncology – Anti-Graft – Biologics – Anaesthesia – Fertility and Hormonal Agents – Vaccines etc.

Due to the huge success of this business the company is progressing towards total exclusivity for these specialised drugs in almost all the tertiary hospitals, corporate hospitals, top private clinics, government institutions and agency.

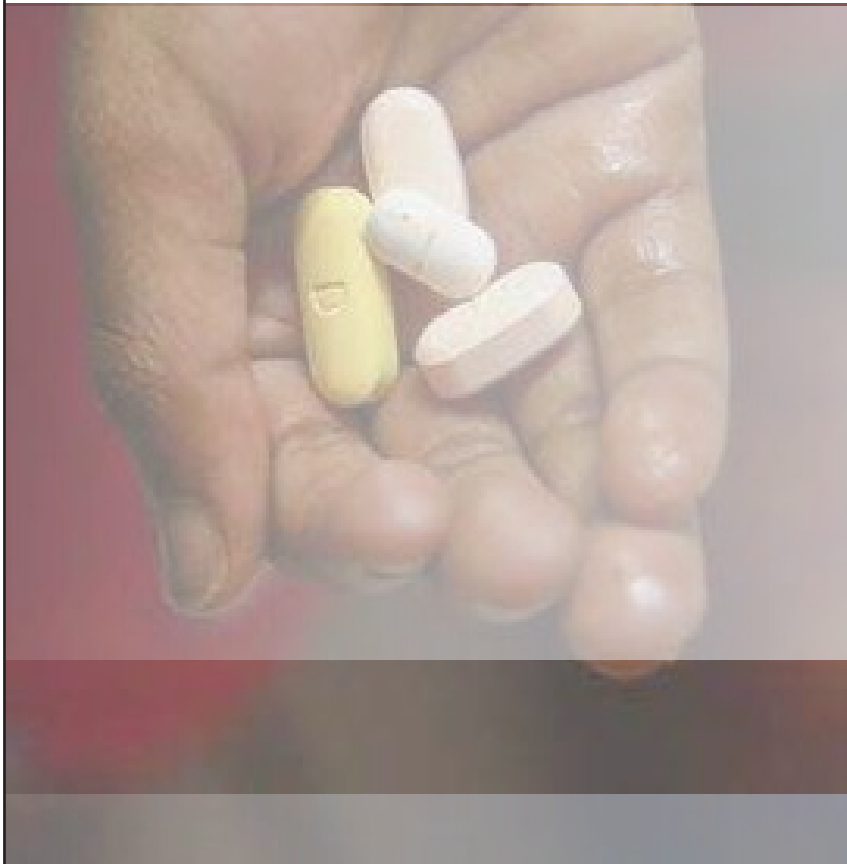

Dozie and Dozie's Pharm Nig. Ltd is currently doing pharmaceutical procurements for the Federal government and selected State governments for specialities like Oxytocin, Anti snake venom, vaccines, lassa fever and immunological drugs etc.

The company was one of the few Nigerian companies registered by Global Fund for the AMF malaria policy. Head quartered in Abuja, Nigeria, we are present in all the key States in Nigeria with an unbeatable capacity to import, store and distribute drugs in a compliant way as all processes have been audited by partners like Roche and Grifols.

The company has experience, access to key stakeholders, infrastructure and the financial capability to do business with any multinational partner.

*Our Vision*

**To be at the forefront in providing solutions for  
hard to source pharmaceutical products**
