ABOUT US

WONDERFUL DIRECT LTD trading as Wonderful Direct Pharmacare was established in the year 2006 and started trading in 2012 at Lantoro, Abeokuta. The area was initially a quiet one, but we strive continuously to meet the needs of all critical stakeholders, including patients, healthcare professionals, hospitals and pharmacies by making sure that products are available to them at a reasonable price. By the special grace of God and the kind of care and services we were able to provide in terms of Pharmacare, the face of Abeokuta and its environ has changed for the better.

As a solution provider, after trading at Lantoro, Abeokuta for three years, we saw the gap in the Pharmaceutical care within the Ogun State, whereby access to medications was limited to a few people that could provide the service and we thought it would be easier to let others be able to come on board quickly, hence we started a wholesale outlet at Ewang Road, Abeokuta in the latter part of 2015. This means that it saves people going to Lagos when they could have easy access within Ogun State. Since its inception, it had served a number of hospitals, pharmacy and patients directly within the Ogun State and its environ.

In the latter part of 2018, one of our Directors attended a meeting where the issue was raised as to the possibility of having a 24 hour pharmacy service in Ogun State, hence the management of Wonderful Direct Ltd gave it some consideration and this gave birth to the retail outlet that was opened on Elite Road, Idi Aba, Abeokuta in 2020. Our Pharmacy outlets provide customers with quality medicines coupled with excellent professional pharmacist support and advice. All our outlets boast of a large number of satisfied customers who visits us for their personal and family needs.
